...AND DON'T FORGET TO SEE WHAT THIS YEAR'S JUDGES SUGGEST!

Meet our 2016 Judges at 3:45 PM for the Taste of Lockport Contest Awards.

Some of Lockport's finest musicians will perform for the crowd all day on the City Stage in Ida Fritz Park. These three bands are just a sample of the array of musical talent that can be found playing in and outside of Lockport, but got their start here in Lock City.

TASTE OF LOCKPORT MUSIC SHOWCASE

□ Cold Shot

Cold Shot Band features dynamic jams with lots of improvisation fulfilling the musical magic that blues and blues-rock achieved in the past and today. With love and reverence for the music, we create that special feeling and community unique to blues-rock performance. Cold Shot Band is Damien Brady (lead vocals), Tim Stoll (lead guitar, vocals), Al Bianco (bass guitar, vocals), and Adam Bianco (drums, vocals).

□ Highway Lines

The Winner of the 2015 "I Like it Best Award" Classic Rock Band from Buffalo NY that also enjoys playing 90's and today's Favorites. All familiar sounds to the Lockport music community, Amanda Clark, Derek Mediak, Mark Hiser and Ron Lee are a hometown favorite.

□ Handsome Jack

HANDSOME JACK began as a blues garage rock band. After high school they moved out of the garage and developed their sound into a natural soulful boogie that remains rooted in raw blues. They've shared the stage with The Sheepdogs, Blue Cheer, Gov't Mule, J. Geils, The Hold Steady, and Robert Randolph to name a few. Their song, "Echoes" was featured on the March 4, 2016 episode of the hit television show, "Criminal Minds".
